SORN PISETH

FRONT-END DEVELOPER

Khan Sensok, Phnom Penh | seth.dev.1100@gmail.com | 096 985 1100

SAMMARY :

Motivated and detail-oriented Computer Science student at the Royal University of Phnom Penh with hands-on experience in modern frontend technologies. Proficient in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, React. Skilled in Git/GitHub version control and working with SQL databases. Passionate about building clean, responsive user interfaces and collaborating effectively within teams. Eager to grow as a developer and contribute to impactful real-world projects.

EXPRERIENCE :

Front-End Developer – Student Projects   **RUPP · 2023 – Present**

- Built a fully responsive personal website using HTML, CSS, and Tailwind CSS
- Focused on clean UI design, consistent spacing, and mobile-first layout
- Used Git and GitHub for version control and publishing

Web Developer – Practice Projects (React & Vue)   **Self-Directed · 2024 – Present**

- Created multiple small web projects using React.js, including forms, navigation bars, and interactive components
- Practiced using props, state, v-model, and conditional rendering
- Built and styled components using Tailwind CSS and Bootstrap

Git & Collaboration

- Regularly pushed code to GitHub with clean commit messages
- Used Git branches to manage changes and test features
- Maintained organized file structure and readable codebase

PROFILE :

Passionate and proactive Computer Science student driven by curiosity and a love for creating seamless web experiences. Skilled at transforming design ideas into responsive, user-friendly websites using modern tools like React, Vue, and Tailwind CSS. Known for strong attention to detail, problem-solving mindset, and ability to collaborate effectively in team settings. Continuously learning and motivated to tackle real-world challenges through clean code and thoughtful UI design.
